

Terms of cooperation.

The minimum sum of the order is 25 000 Russian roubles. An obligatory term at the initial stage of cooperation is 100% prepayment. You can also ship the goods directly from a warehouse in Slonim and

Ltd."Romgil-M" in Moscow.

The shipment of the goods with the zero rate of the VAT:

It is carried out directly from a warehouse in Slonim. Production is shipped to the Russian Federation at cost prices of the enterprise with the zero rate of the VA. According to the intergovernmental agreement between the Russian Federation and the Republic of Belarus, the VAT is paid on the party of the buyer.

According to the contract on delivery you are to pay the corresponding sum of the VAT by a principle of the country of appointment and later to give us the 3rd copy of acknowledgement on the VAT payment, assured by an official stamp of tax departments. All the questions concerning the registration and payment of the VAT you can specify at your local tax inspection registration or at our experts.

Cargo delivery is carried out:

- By the railway, the costs are paid by the supplier
- By the motor transportation company "Autotrading". The costs of transportation to Minsk are paid by the supplier. The costs from Minsk to destination are paid by the buyer.

The shipment of goods taking into account the VAT is carried out from a warehouse in Moscow:

Moscow, Novgorodskaja str, 1 (metro Altufjevo)
